

PUBLIC NOTICE

Sidewalks provide a safe accessible route for pedestrians, improve access to public transportation, and enhance a sense of community.

Mayor and Council have authorized the development and implementation of an exciting project to install sidewalks on the northern side of Frankstown Road from Bon Air Road to Hochburg Avenue.

As proposed, the project would be completed in two phases, phase one being from Bon Air Road to Tremont Street. The sidewalks will be constructed utilizing Federal CDBG dollars.

Details of the proposed project will be presented during a public meeting scheduled for **Tuesday October 4, 2016 at 7:00 PM**. The meeting will be held in the Community Room at Laketon Heights United Methodist Church at 9601 Frankstown Road.

We hope that you will take this opportunity to come and learn more about the project. If you are unable to make this meeting, there will still be ample time to have your questions or concerns addressed at future meetings.
