CURRENT SITUATION

As of January 30, 2020, the World Health Organization (WHO) has declared the novel coronavirus outbreak a global health emergency. WHO has officially named the 2019 novel coronavirus COVID-19. As of March 11, 2020, WHO has declared the novel coronavirus a pandemic.

The Allegheny County Health Department (ACHD) has developed a strategic framework, outlined in the Pandemic Influenza Response Appendix for ACHD and support partners responding to, and sustaining functionality during a health emergency such as the COVID-19. The ACHD has activated its Departmental Operations Center (DOC) to monitor the emergence of the disease and to coordinate public health and medical aspects of the response.

- On March 6, 2020 the Governor of Pennsylvania proclaimed a Disaster Emergency in response to the COVID-19 Pandemic.
- On March 12, 2020 the County Executive of Allegheny County Declared an Emergency in response to the COVID-19 Pandemic. [On March 19th the County Executive extended the original Declaration of Emergency.](#)
- On March 13, 2020 Allegheny County received the first positive cases (2) in the County.
- On March 17, 2020, Governor Wolf announced statewide mitigation efforts effective today, Tuesday, March 17 and include:
 - All restaurants and bars close their dine-in facilities (through March 30th) to help stop the spread of COVID-19.
 - A no-visitor policy for correctional facilities and nursing homes has been implemented and will be evaluated for other facilities.
 - Freedom of travel will remain, but Pennsylvanians are asked to refrain from non-essential travel.
 - All childcare centers licensed by commonwealth are closed.
 - Adult day care centers, adult training facilities, provocations facilities, LIFE centers and Senior Community Centers are closed.
 - Essential State, County, and Municipal services will be open: police, fire, emergency medical services, sanitation, and essential services for vulnerable populations.
 - Supermarkets, pharmacies, and gas stations will remain open.
 - On March 13, Governor Wolf closed all K-12 schools.
 - The Wolf Administration strongly encourages the suspension of large gatherings, events, conferences of more than 10 people.
- [The American Red Cross faces blood shortage; 2,700 blood drives canceled due to concerns about coronavirus outbreak.](#)
- [On March 19th, the PA Department of Health confirmed the first COVID-19 related death in Pennsylvania \(Northampton County\).](#)

The Allegheny County Department of Emergency Service’s Division of Emergency Management activated the County Emergency Operations Center (EOC) to support the ACHD, County departments and agencies, municipal governments, and all other private and public safety partners. [The EOC has been activated in a “Virtual Manner” using teleconferencing technology with ACES Command Staff, EMA Staff, ESF 6 \(Department of Human Services & Allegheny Intermediate Unit\) and ESF 8 \(Allegheny County Health Department\).](#)
